**Engineering Workshop R/O Clements Hardware Store, 136 High Street, Cottenham –
Conversion of Workshop into Bungalow**

The Design Group encourages the retention of small-scale commercial activities within the village and therefore does not support this proposed change of use. We have no additional comments on the conversion.

'It is important to retain and develop Cottenham's character as a working village offering a variety of employment. Small-scale enterprises will be welcomed within the village. An increase in the number and variety of shops and trades is required' (Cottenham Village Design Statement p.7)
