S/1709/05/F

38 Telegraph Street, Cottenham – Part Demolition and Extension to Existing Dwelling and Erection of New Dwelling

This is a major improvement on the previous application (S/0249/05/F). The proposed, locally appropriate, extension now enhances the existing building while the new dwelling fits neatly into the limited available space. We therefore no longer object to this development.

'Respect local characteristics and context of the particular site. Refer to local building forms and proportion. Use good quality materials appropriate to Cottenham.' (Cottenham Village Design Statement p.23)
