Planning application comments

S/1088/06/F

79 Rooks Street, Cottenham – Garden Shed

This application reduces the ridge height and therefore bulk of this building (compared to S/2049/05/F). It remains a large structure although it appears that its impact would be largely confined to adjacent properties; visibility from public areas would be very limited.

S/1118/06/F

Avondale, 226 Histon Road, Cottenham – Garage / Store

We have no comment on this application.

S/1128/06/F

8 Ellis Close, Cottenham – Extension

We have no comment on this application.
