

Walking Tour of our Historic High Street

by CVDG members for and on behalf of FEF

Join us on a guided tour of the North end of the High Street where you will find a range of buildings constructed over four centuries.

Find out just what lies beneath the unusual uniformity of the houses along the route; there is a greater diversity than might first be assumed.

See how factors such as fashion, population pressure and available materials have led to the changes in these buildings over time.

- Tours will start at the Church of All Saints and finish at Broad Lane, interested parties are invited to meet at the Church at one of the times shown.
- Transport from the village green to the Church will be available to meet each tour, for the transport meet at the CVDG stand in the Culture Tent at the quarter hour preceding the tour.
